

and IKON Pass Ski Group Northeast present  
**Zermatt, Switzerland**  
**February 11 – 19, 2022 (Fri – Sat)**

**Ski – Explore – Experience Zermatt** next season with Anna – IKON Pass Ski Group - Northeast and Kathy – S.E.E. Mates! Dominated by Switzerland's most famous landmark - the **Matterhorn** - Zermatt is certainly the country's best all-round ski resort. Moreover, there are many who would have no hesitation in naming Zermatt as the best ski resort in the world. Partly thanks to the sublime beauty of the Matterhorn, but also thanks to the lack of cars and the resort's great sense of tradition, Zermatt has a special, alluring atmosphere which draws visitors back time and time again. Skiing in Zermatt is on a vast scale. Fabulous scenery captivates your attention during your ride up the mountains. It is easy to be dazzled by the mountain world around you, being surrounded by 29 peaks over 13,100 ft. *These are the highest mountains in Europe.* And most always within sight is the moody and multi-faceted Matterhorn.

Cable cars (aerial tramways) are common here - being very necessary in such an imposing mountain environment. Many soar silently across chasms and up cliff faces suspended thousands of feet above the snows. But it is when you get out and snap on your skis that the real action begins. No longer are you just an observer in this majestic mountain world. You are here to ski or board! All three of Zermatt's **ski areas** soar to at least 10,200 ft. This translates into *excellent snow conditions*, and *long runs* to the village (5 to 8 mi). Not only are the slopes long, but they are open for a long day! Lifts begin operation at 8-8.20am and do not close until 4.30pm in midwinter.

The Hotel Perren, is a family-run establishment at the foot of the Matterhorn. The typical Zermatt atmosphere is tangible throughout the friendly family 70-room hotel. After a full day of skiing, we can relax and unwind with a view of the Matterhorn in the "garden of relaxation" wellness facility with wood sauna, stone sauna and aroma grotto. With breakfast and dinner daily, we will enjoy La Montanara and perhaps settle in for a relaxed evening or two in their unique "Q-STALL BAR" and still be in the heart of the village to explore the foodie and nightlife scene of Zermatt—crepes or fondue anyone?
